INFORMATION SHEET FOR PATIENTS WHO WANT HYGIENE APPOINTMENT

If you are not a patient with one of our dentists you may be seen as a patient by one of our hygienists.

To do so you must have a written referral from your dentist. We have attached one for your dentist's convenience. IF YOUR DENTIST AGREES, YOU WILL ONLY HAVE TO DO THIS ONCE A YEAR. Please complete as much as you can for your dentist as he/she will be a busy person.

When completed, call us on 0207 610 1110 and make your hygiene appointment. You may choose 20 minutes for £30.00 or 40 minutes for £60.00. You will be asked to confirm that you have received this information sheet and accept its conditions.

You will need to complete a medical questionnaire once a year for our hygienist, please download this from the website nhsdentist.com if you have not already received one from us.

Payment must be made by credit/debit card in advance and is only refundable if 24 hours notice is given (8 working hours). For appointments on Monday, a cancellation must be made by the preceding Friday lunchtime (1pm). You will forfeit your payment if this is not done.

If you do cancel in time your payment will then be refunded to you or if preferred kept for your postponed appointment.

If you do not have the properly completed referral form from your dentist when you come for your appointment, it will be illegal for the hygienist to treat you. *You will then have forfeited the money you have paid.*

You may choose which hygienist you want to see, details are available from our website nhsdentist.com.

Please understand that if you call to make an appointment you are accepting the above conditions.

If you have any queries, please contact us on 0207 610 1110

We look forward to treating you at NHS Dentist.
